

## CCTV POLICY

The purpose of this policy is to regulate the management and operation of the Closed Circuit Television (CCTV) System at Geneva English School (the School). It also serves as a notice and a guide to data subjects (including pupils, parents, staff, volunteers, visitors to the School and members of the public) regarding their rights in relation to personal data recorded via the CCTV system (the System).

The System is administered and managed by the School, which acts as the Data Controller. This policy will be subject to review from time to time, and should be read with reference to the School's Data Protection Policy and Privacy Notices. For further guidance, please see the UK Information Commissioner's CCTV Code of Practice, which is accessible at <https://ico.org.uk/media/1542/cctv-code-of-practice.pdf>.

All fixed cameras are in plain sight on the School premises and the School does not use CCTV for covert monitoring or monitoring of private property outside the School grounds.
